

Phonetics Quiz Checklist

There are 13 quizzes. Use this checklist to help you find them and keep track of which ones you have already done.

Accessing the quizzes: Go to the url/webpage where the quiz is found, and look for the “Start quiz” button after the practice exercises (you may have to scroll as there is usually more than one set of practices exercises and quizzes on a page).

Doing the quizzes: Most quizzes involve listening to a recording of a word and typing in the missing letters in the word with the sound you hear. The options for the missing letters are the sounds listed in the name of the quiz.
