#### Questions/ answers

QUESTION 1: name the items, name the containers

stem 'a'lu tu'i?                      What's this?

xul'tun tey'.                              That's a pen.

(tey' / tthey' for some speakers refers to the thing that was indicated when the question was asked.)

xul'tun 'u tu'i?                      Is this a pen?

xul'tun p'e' tey'.                      That's indeed a pen.

(tey' / tthey' refers to the thing that was indicated when the question was asked.)

Question 2: you put the item into the container, while they are watching and then ask.

ni' 'untsu // 'unuts kwthu **lukli**?                      Where are the keys?  
Use kwthu = out of view.

*short answer*

sun'iw' 'u tu **situn**.                      In the basket. The basket is tu / tthu = in view.

*long answer*

sun'iw' 'u tu situn kwthu lukli.                      The keys (out of view) are in the basket (in view).

sun'iw' kwthu lukli 'u tu situn. \*. This word order is also okay for same meaning.

*Another kind of answer.*

nem' ch lemut sun'iw' 'u tthu situn.  
Go look in the basket.
